Principal Investigator:			
Phone:		Email:	
Project Title:			
Total Grant Amount Received:			

Status Update of Project

1. What was your original inquiry question?
2. What did you discover? Please include any unexpected or surprising findings or interesting unintended outcomes.
3. Dissemination Plans:
a. How will you share your findings with others in your discipline?
b. How will you share your findings with those in other disciplines and assist them in applying your findings to their contexts?

c. Please suggest a title and format that you would be prepared to offer within the workshop series, Research Week or Learning Conference operated by the Centre for Teaching and Learning.

--

4. Final Budget

Please indicate in the comments sections any reasons for discrepancies between planned and actual costs, if applicable.
